

# Sunshine Through Golf Foundation

Take a **FREE** field trip with your adaptive physical education class!

**The Sunshine Through Golf Foundation would like to share its facilities with your adaptive physical education class!**

The Foundation operates the Three-Hole Sunshine Course at the Midwest Golf House in Lemont, Ill. The Sunshine Course is dedicated to using golf in an educational, therapeutic, recreational or rehabilitative manner. The course and its related facilities are fully handicap accessible.

A Sunshine Course field trip is free of charge to all adaptive physical education classes. Contact **Alex Nolly** at **630-685-2351** or **anolly@cdga.org** to schedule your trip.

*Chaperones and field trip insurance must be provided by the school district, the Foundation will provide a **transportation stipend**, golf clubs, golf balls and handicap accessible carts (if needed).*

*Before you visit the Sunshine Course ....*

To prepare your students for their day at the Sunshine Course, the Foundation can provide your class with Starting New at Golf (SNAG) equipment and curriculum prior to your visit. This equipment is available to rent, free-of-charge.
